SaaS Account Management & Renewals | Go-To-Market Strategy & Pipeline Growth | Client Success & C-Level Relationship Management | AI Automation & Process Optimization | Team Leadership & Cross-Functional Collaboration | Digital Marketing & On-Page SEO | Strategic Partnerships & Vendor Management | Data-Driven Insights & Reporting

PROFESSIONAL EXPERIENCE

Country Head - India | Boosta (Remote, India)

Mar 2023 - Present

Boosta is a European IT company offering SaaS-based marketing and data solutions. Responsible for building and managing operations in India, scaling revenue, and leading client growth initiatives.

- Built and manage operations generating \$270,000 in annual recurring revenue (ARR) from 25 active client accounts.
- Hired, trained, and currently lead a team of 11 digital marketers, overseeing SEO and campaign delivery for multiple international SaaS clients.
- Automated daily workflows using AI tools, improving efficiency and reducing manual work by over 35%.
- Partner with international leadership and technical teams to design and execute account growth strategies.
- Maintain high client retention and satisfaction through proactive communication, insights reporting, and quality assurance.
- Supported sales growth through account expansion, upselling, and cross-functional collaboration.

Co-Founder & COO | EzeInvite (PA Spatial Solutions Pvt. Ltd.) - Delhi, India

Jan 2020 - Feb 2023

EzeInvite is a SaaS-based event management platform connecting customers and vendors across Delhi NCR.

- Led company operations, managing 15-20 professionals across development, sales, content, and marketing.
- Achieved 6,500 vendor onboardings within one year, building partnerships across event categories.
- Scaled organic Google impressions from zero to 58,000 per day through SEO, content, and performance marketing.
- Directed the company's go-to-market strategy, including pricing, digital campaigns, and customer retention.
- Oversaw product listings, content optimization, and category SEO keyword research.
- Drove AI-enabled marketing initiatives to automate repetitive processes and improve campaign precision.
